

What is Data Science?

May 15, 2020 (do we like this color?)

BST 692

Raymond Balise, Ph.D

Layla Bouzoubaa, MSPH

I've heard of it but what is data science, actually?

It's what all the cool kids are doing these days

Hello, world!

- this is list item
- this is another list item
- blah blah blah
- more list stuff
